Exciting News! A new **Shiloh Church Pictorial Directory** is coming in January and February, and we want YOU to be a part of it! The Pictorial Directory is an excellent way to stay connected as a church family and will feature photos of all our members, families, and friends who wish to participate, along with contact information (if desired). This will be an **Online Directory** to view on your computer or phone, but we will also have printed copies available. It will be updatable online so you can catch up with new Shiloh members as they come worship with us. See details in the December **Connection** and sign up on the Green Table this month!
